

One Acquisition Solution for Integrated Services (OASIS+)

OASIS+, is a suite of government-wide, multiple-award contracts designed to support federal agencies' procurement requirements for services-based solutions. **Ripple Effect was awarded 22 CLINs across 2 domain areas (Management & Advisory and Technical & Engineering) and 3 categories (Unrestricted, Total Small Business, WOSB).**

About Ripple Effect

Ripple Effect delivers award-winning professional consulting and workforce solutions for federal, private, and non-profit clients to deliver some of the most crucial policies and programs that shape our nation.

Our **Work Smarter Promise** is more than just words—it's a guarantee. Your goals are met by leveraging our rigorous processes, intelligent technology, and the deep health, science, and research expertise of a uniquely skilled workforce.

By working together, we solve complex, multi-disciplinary problems and build your organizational capacity for long-term success. **That's the Ripple Way.**

Ripple Effect provides multi-disciplinary solutions across our business areas:

Core Capabilities

Program Management & Policy

We optimize your programs through strategic thinking, effective management, stakeholder collaboration, and expert organizational support.

Organizational Development | Policy Support | Process Improvement | Strategic Planning
Project Management | Public Comment Analysis & Rulemaking | Performance Measurement

Technical & Scientific Support

We enable your healthcare and biomedical R&D programs with clinical, scientific, and technical experts to deliver innovative products and programs.

Portfolio Management | Clinical Research | Advanced Development | Operations
Financial Management | Regulatory Support | Grants Management

Communications & Outreach

We strategically engage with your audiences through active listening and research to deliver clear, consistent, and relevant messaging.

Communications Research | Communication Strategy | Conference & Events Services
Content & Materials Development | Creative Design Services | Public & Media Relations

Research & Evaluation

We generate new knowledge through research and evaluate the impact and effectiveness of your policies, programs, and communications.

Process, Outcomes & Impact Evaluations | Study Design | Formative Research
Data Analysis & Interpretation | Data Collection | Quantitative, Qualitative & Mixed Methods

Digital Transformation

We fundamentally modernize your operations and deliver value through the strategic use of technology solutions and data.

Technology Strategy | Data Management | Data Analysis & Reporting | Customer Experience
Business Modernization | Artificial Intelligence
